A Message from the President

SALVE
REGINA
UNIVERSITY

A quotation by noted author, Father Richard John Neuhaus, is particularly appropriate at this time. He wrote that: "each moment in time is equally close to God's purpose, and God's purpose is equally close to each moment. But we are to read the signs of the times to discern the obligations, limits and opportunities of our own moment."

As graduates in the year 2001, this is your moment. Like those who have walked the dais before you, many opportunities await you, but the signs are not the same.

The world of 1951 was vastly different from the world of today, and it was impossible for the members of our pioneer class to envision or foresee the events and accomplishments of the past 50 years. Obviously it is just as impossible for you to predict what lies ahead. Because your Salve Regina education has provided you with a firm foundation of values inspired by faith, trust and the vision of the Sisters of Mercy, you can confidently proceed on your journey along the pathway to the future, well-equipped to meet all challenges.

Seize your moment, lending your talents to the world as you give generously from your heart. I have every confidence that you will succeed.

Congratulations.

A handwritten signature in cursive script that reads "M. Therese Antone".

M. Therese Antone, RSM
President

What would a Salve event be without...

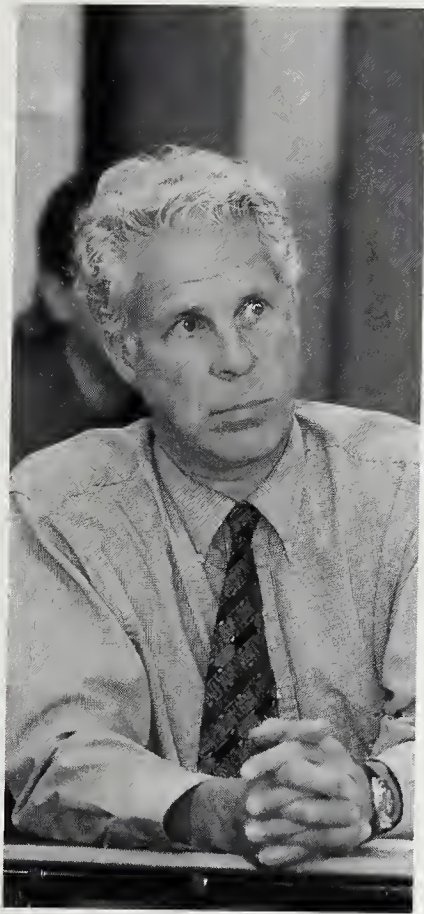

... the SEAHAWK?!?!

Over your 4 years at SRU have you become a *real* Rhode Islander??

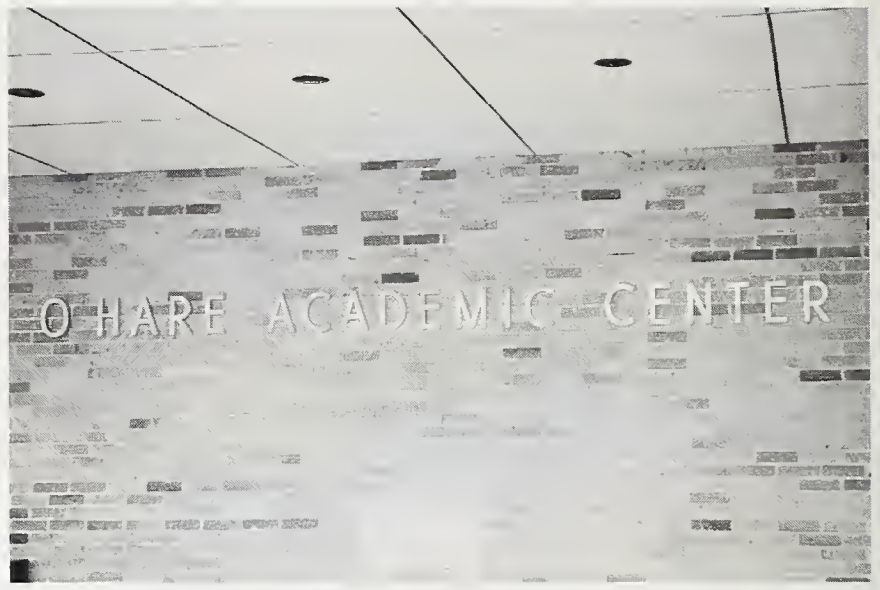

1. Have you ever pulled out of a side street and used your car to block oncoming traffic so you could make a left-hand turn?
2. Do you have a bottle of Coffee Syrup in the fridge right now?
3. Have you ever gotten sick from eating too many clam cakes?
4. Do you feel compelled to hear at least one weather report a day?
5. Can you pinpoint the location of at least 2 Dunkin Donuts within a 2-mile radius of where you are right now?
6. Do you consume at least 4 cups of coffee a day?
7. Do you load up on milk and bread before a snowstorm?
8. Do you call a water fountain a "bubbla"?
9. Do you consider a car journey of longer than one hour a day trip?
10. Have you ever boasted about the money you saved at the Christmas Tree Shop?

11. Have you ever ordered a cabinet at McDonalds?
12. Have you ever slammed on your brakes to discourage a tailgater?
13. Have you ever contested a traffic ticket in court?
14. Do you have any stuffed animals displayed in the rear window?
15. If you see someone you know do you beep your horn?
16. Do you have your high school graduation tassel hanging from the rearview?
17. Is it OK to park in a no-standing zone as long as you leave the car running?
18. Do you often brag about your best time from Boston to your driveway?
19. Do you flash your lights at oncoming traffic to warn them about police radar ahead?
20. Do you pride yourself on the fact that you can dial your cell phone and tune the radio at the same time?
21. Do you think Mass drivers are worse then Rhode Island drivers?

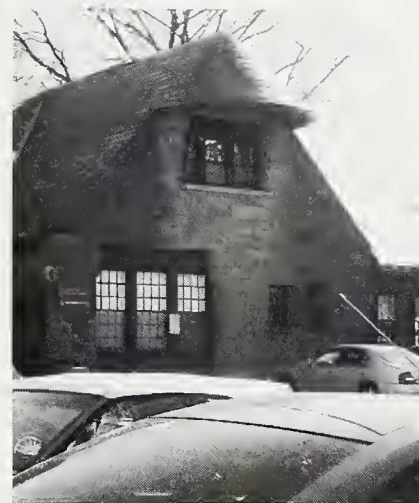

**If you answered yes to more than 8 questions,
then you have become a real Rhode Islander!!**

A Message From The Editor

"If you have a head on your shoulders and feet in your shoes, you can steer yourself in any direction you choose." - Dr. Seuss

When I think of graduation I think of this quote because all of you are now beginning your lives in "the real world." This year I wanted to publish a yearbook that would be filled with great memories of Salve. I think that this yearbook has accomplished that. Not very often do we appreciate our beautiful surroundings. I hope that this yearbook has captured some of your favorite scenes.

There are so many people that have helped in the making of this book. I would like to thank Norval Garnett, our Jostens rep, for helping every step of the way, John Corbett for all of the graduation photos and most of our senior portraits, all seniors who submitted candid photos, and finally Michelle and Kristin in the Alumni Office for all their encouragement and support. Thanks to all!

May all the seniors who have graduated be successful and happy in all of your future endeavors. Good luck and thanks for making 2001 a great year!
